Subject: Cancel NCRC General Notice NO. 1, New PPE Machines

NCRC General Notice NO. 1 is cancelled

PPE machines have been installed at the Norfolk Yard Office, West Columbus Trainmen's Office and Grand Island Mechanical Shop. All employees will need to get their PPE from one of these locations. Employees can access the machines by using the last 4 digits of their Social Security Number. If you need any supplies not in the machine or you have any issues using the machine contact your supervisor.

Previous NCRC General Notice Information

NCRC General Notices issued prior to June 13, 2017 are canceled.

If you have any questions or concerns, please contact me.
