

SAFETY FIRST COMMENTS FORM – RESPONSIVE ACTION

NOGC

Thank you for your comments and concern for SAFETY.

The company appreciates your willingness to help bring awareness to safety related issues and will make every effort to correct any unsafe condition.

All employee comments and subsequent responsive action taken by the railroad can be found on this page.

Comments are listed in the order they are received.

Information concerning responsive action is updated as the action progresses with the most recent date of entry(s) denoted in red.

Completed action is denoted by the word “FINAL”.
